

### Democracy

- Children are involved in democratic processes such as voting for house captains and school council.
- School council listen to suggestion across the school and bring them to the HT.
- All children make decisions on how to enhance the school including lunch times and play equipment.
- Children are involved in making decisions in the classroom eg what do they want to learn about and what do they would like to read.

## British Values at Tewin Cowper

### Tolerance of cultures, faith and orders

- Teachers and children from different faiths are given the opportunity to share their own experiences.
- A range of religious festivals are celebrated and reflected upon throughout the year.
- Children are given the opportunity to visit different places of worship.
- Parents are invited to speak about their own faiths and religions.

### Rule of Law

- Children are involved in the creation of class rules.
- Pupils are given the opportunity to reflect on their behaviour.
- Children are rewarded for making good choices with reward jars and dojo points.
- Children are taught road safety at various points during their time at school.
- E-Safety is taught in PSHE. All children and staff sign the Online Safety Policy each year.

### Mutual Respect

- Positive relationships are constantly encouraged and celebrated in assemblies through our values.
- Friendships are recognised as a Christian Value.
- Adults model respect to children and to each other.
- School council are involved in decision making.
- High expectations for behaviour are in place in the school.

### Individual Liberty

- All children are allowed to express themselves in class discussions.
- In EYFS, children learn through continuous provision: activities are self-led and allow for free flow.
- Worry boxes are in place in each classroom.
- Pupil voice surveys are regularly conducted.
- The interests of children are celebrated in class and during assemblies.
