

LONG TERM PLAN 2021-24

Our long term plan is informed by the views of staff, governors and the outcomes of our latest Ofsted and SIAMs Inspections; it focuses on our school vision, which underpins all aspects of our learning community. This feeds into our School Development Plan each year, which details the strategic plans for achieving our goals.

Our vision

'The Lord, the God of Jacob, will teach us His ways so that we may walk in His paths'. Micah 4:2

The story of Jacob's Dream and the verse from Micah are central to our vision and aims.

As Jacob's experiences brought him to the point where he was in his life;

WE AIM TO VALUE EACH CHILD AS A UNIQUE INDIVIDUAL, BUILDING ON THEIR KNOWLEDGE AND UNDERSTANDING AND AFFIRMING THE EXPERIENCES THEY BRING TO THEIR LEARNING.

After Jacob had his dream, he went on to a place where he knew there was family who would welcome him;

WE AIM TO ENCOURAGE MUTUAL RESPECT AND HARMONY BETWEEN EVERYONE ON THE JOURNEY: PUPILS, THEIR FAMILIES, STAFF, GOVERNORS, ST PETER'S CHURCH AND THE LOCAL COMMUNITY.

God led Jacob on a journey and promised to look after him;

WE AIM TO FOSTER EXCELLENT LEARNING BEHAVIOURS AND ENQUIRING MINDS THROUGH A WELL-RESOURCED, STIMULATING LEARNING ENVIRONMENT AND ENGAGING, EXCITING CURRICULUM.

After his dream, Jacob made the choice to obey and follow God;

WE AIM TO CONNECT CHILDREN'S LIVES WITH OUR CHRISTIAN VALUES THROUGH EXPLORATION, DISCUSSION, DISCOVERY AND REFLECTION SO THAT THEY KNOW HOW TO MAKE GOOD CHOICES IN THEIR LIVES AND CONTINUE ON THEIR JOURNEY AS SUCCESSFUL, CARING CITIZENS OF GOD'S WORLD.
